

MEMBERSHIP

Membership in Chicago Sinai Congregation is your way of saying that our values and the programs that we offer are important to you and your family. We ask all members to contribute according to a dues schedule reflecting the financial resources of individuals and families at different stages of life. Please consider Sustaining Membership as a way of helping Sinai increase the quality and quantity of its programs.* The Congregation makes every effort to respond to the concerns of persons with special financial needs in formulating a level of support that is both comfortable and appropriate. Persons with special financial needs should contact the Temple Administrator for more information.
